

Swimming Lessons at Maple

At Maple we provide 30 minute weekly swimming lessons for Years 3 and 4, each year, in the Summer term as part of their PE curriculum.

We hope that by the end of these sessions the children will be able to complete the required National Curriculum standard *'to swim competently, confidently and proficiently over a distance of at least 25 metres.'*

At Maple we believe that swimming is a crucial skill, not one to be taken lightly. Therefore, if any children have not achieved their 25m by the end of Year 4, we also provide the opportunity for further lessons in Year 5, and then if necessary again in Year 6.

We aim to have provided all the children here at Maple with ample opportunity to have acquired this life-skill by the time that they leave us for Secondary School.
