

# Maple Primary School - ICT/Computing Vision Statement

ICT is an integral part of school life.

It is used across the curriculum, with children using it as naturally as any other classroom resource.

We are aware that continuing professional development for staff is paramount to success and positive promotion of ICT in school. Especially in regards to the use of new technologies

Our Community links are being strengthened through our use of 'Twitter' and the regular updating of the school website.

We believe ICT at Maple will allow the children to become confident users of new technology. Therefore, equipping them for their future working lives.

ICT at Maple caters for all children, taking into consideration all learning styles, as well as SEN and Gifted and Talented children.
