'All the staff at the Base are professional and committed. They communicate very well with us. It is always a relief and good to know that someone is a call away when you are worried about anything. The Base does not only support children and their education needs but emotional needs too. Thank you so very much for all your help during the COVID and throughout the years @@@@ has been there.'

'We are very pleased with our child's progress at school'.

'I am extremely happy with @@@@ progress at school and I believe it is due to the support from the base that she is constantly progressing. I feel satisfied knowing @@@@ has the staff at the Base to fulfil all her needs'.

'@@@@ speech, confidence and knowledge has really been boosted since she is been at Maple and it is all due to the support from the Base. All the staff at the Unit treat the children as their own and work really hard with them. I couldn't have asked for a better setting for my girls'.

'We greatly appreciate the care and support @@@@@@ has received during his time at Maple school'.
