ANNUAL REVIEW DATES

Tuesday 24th[†] May LC Annual Review meeting 2:00pm

REMINDERS:

- We use every opportunity to build on the children's language skills, it is therefore helpful if you can let us have photos or a little note regarding your child's activities over the weekends or holidays. The children are keen to tell us about their lives out of school but without visual resources/support it is difficult to develop their language skills.
- As parents ourselves we appreciate that completing homework can be a chore, but it is a vital part of your child's educational development. Planning and marking homework is extra work for us, but we do it because it is proven to be beneficial for the children. However, our workload is significantly increased if all homework is not handed in punctually. We would therefore ask for your cooperation in supporting your child with completing their homework and **handing it in on time.**
- Please could you make sure your child has a supply of batteries in School.

If you have any questions or queries please do come and see us, phone us or put a note in the Home/School book. We thank you for your continued help and support.
