## REMINDERS:

- It is always helpful if you can let us have photos or a little note regarding your child's activities over the weekends or holidays. The children are keen to tell us about their lives out of school but without visual resources it is difficult to develop their language skills.
- Please could you make sure your child has a supply of batteries in school.
- Please make sure you read the home/school book each day and return it in your child's book bag. It is the method we use to communicate with parents who we do not see.
- Please set aside some time each day to read with your child. Your child will read with us in school, but we cannot emphasise enough the benefits for vocabulary, language and knowledge that your child will gain from sharing books at home.

If you have any questions or queries please do come and see us, phone us, email us at [theunit@maple.herts.sch.uk](mailto:theunit@maple.herts.sch.uk) or put a note in the Home/School book. You can find further information re the curriculum on the school website, in the classrooms and curriculum info sections. Don't forget to check our twitter account for updated photos -

We thank you for your continued help and support.
